Re: TBC-Brinadd Building Expansion project

Subject: Letter of Recommendation

To whom it may concern,

On behalf of Christensen Building Group, we would like to recognize Maldonado Nursery & Landscaping for a job well done for the TBC-Brinadd Building Expansion project located at 5035 McHard Road / Houston, TX 77053. Maldonado Nursery & Landscaping's scope of work relative to the project included a design/build landscape and irrigation package with a final contract amount just under \$100,000.

The landscape design for the project was required to meet the minimum standards as set forth by the City of Houston. Maldonado not only met these requirements, but exceeded expectations in terms of quantity and size of trees, plants, and shrubs relative to the budget for such.

Rick Bergstrom and his team were actively engaged in the project from Day 1 to ensure a successful project down the road. Rick and his team were also invaluable in other aspects of the project including, but not limited to, the temporary irrigation of the detention pond to facilitate growth and appease a variety of governing authorities.

Thank you for going above and beyond the call of duty and we look forward to working with you and your team on future projects.

Sincerely,

A handwritten signature in blue ink, appearing to read 'BHD', is written over the word 'Sincerely,'.
