To Whom It May Concern;

On behalf of Cooper-Lochte Landscape Architecture, it is my pleasure to recommend Maldonado Landscape for consideration for other work.

Maldonado Landscape has made great strides in the past few years in the local landscape industry. They have recently completed Bernal Middle School for Northside Independent School District and Tex-Hill Middle School (MS#14) for North East Independent School District both of which I was the Landscape Architect of Record. The landscape for each project turned out better than we imagined and Tex Hill Middle School has now become the design and installation standard for NEISD. Their willingness to help achieve the project goals from a budget and functionality aspect has been a great asset.

As a landscape architect, I place trust and confidence in Maldonado Landscape to deliver a quality project.

Sincerely,

Jason S. Lochte, ASLA
