To Whom It May Concern:

Joeris General Contractors had the privilege of working with Maldonado Nursery and Landscaping, Inc. on HEB 46: The Market at Stone Oak project this past spring.

The project was adequately staffed and supervised throughout the duration of the project, and the high standard of workmanship that HEB demands was met. Maldonado worked hand in hand with Joeris, and the rest of our subcontractors to ensure their scopes of work were completed on time, and most importantly safely.

We look forward to the opportunity to work with Maldonado Nursery and Landscaping, Inc. on another successful project in the future.

Sincerely,

Nick Beuke
Project Manager
